RE: Mobile and Saturday Voting

DATE: February 5, 2005

If the City of El Paso wants to add one Saturday (April 30) for voting, the approximate cost to the City would be \$2,000 and for two Mobile Voting teams \$4975 for an approximate cost of \$6975. On Mobile Voting, it depends on the location as to the number of hours for voting. For instance at the Senior Centers we would close at 3 or 4:00 p.m. and at the Credit Unions we might stay open until 6:00 p.m., but I will try to keep down costs as much as possible.
